Every time I'm making love with you
Kind of makes me feel like I hate you
Every time I'm lying in your arms
I try to ignore you but I can't.

I'm not alone
But I am lonely
I'm insatiable and I can't get enough
Boy, you know I'm only
Sick with love
I, I...
Sick with love
I, I...
Sick with love
I, I...
Sick with love
I, I...

Every time I'm making love with you
Kind of makes me feel like I hate you
I'm not alone
But I am lonely
It's a deep grouted fear that I can't rise above
Boy, you know I'm only

{Chorus}
Sick with love
(Love, hate, you generate)
Sick with love
(Love hate, you radiate)
Sick with love
(Love, hate, you generate)
Sick with love
(Love hate, you radiate)
Ooooh, sick with love
(Love, hate, we generate)
Sick with love
(Love hate, we radiate)
Sick with love
(Love, hate, we generate)
Sick with love

(Love, hate, we radiate)

I, I..., I, I..., I, I... I, I...

Every time I'm making love with you
Kind of makes me feel like I hate you
I'm not alone
But I am lonely
I'm insatiable and I can't get enough
Boy, you know I'm only

{Chorus}

I, I..., I, I..., I, I..., I, I...

Sick with love
