Went out walkin' through the wood the other day  
And the world was a carpet laid before me  
The buds were bursting and the air smelled sweet and  
strange  
And it seemed about a hundred years ago  
Mary and I, we would sit upon a gate  
Just gazin' at some dragon in the sky  
What tender days, we had no secrets hid away  
Well, it seemed about a hundred years ago  
Now all my friends are wearing worried smiles  
Living out a dream of what they was  
Don't you think it's sometimes wise not to grow up?  
Went out walkin' through the wood the other day  
Can't you see the furrows in my forehead?  
What tender days, we had no secrets hid away  
Now it seems about a hundred years ago  
Now if you see me drinkin' bad red wine  
Don't worry 'bout this man that you love  
Don't you think it's sometimes wise not to grow up?  
You're gonna kiss and say good-bye, yeah, I warn you  
You're gonna kiss and say good-bye, yeah, I warn you

You're gonna kiss and say good-bye, oh Lord, I warn  
you

And please excuse me while I hide away

Call me lazy bones

Ain't got no time to waste away

Lazy bones ain't got no time to waste away

Don't you think it's just about time to hide away? Yeah,  
yeah
