Why put this sadness inside of me

Why be so matter-of-fact

Why put this one bit of hope in me

You sold me out and that's that

I hope that you're having fun with me

There's not much left to attack

I hope that you're nearly done with me

You sold me out and that's that

All sold out i'd never seen

A mind so tangled, a girl so strangled

All sold out well i felt so green

It was just like that

I was put down flat

I was sold out just like that

Oh baby

All sold out i'd never seen

A mind so tangled, a girl so strangled

All sold out well i felt so green

It was just like that

I was put down flat

I was sold out just like that

I missed the point of you doing it

Your mind has just jumped the track

I took a bit different view of it

You sold me out and that's that

Hey hey, that's that
