She confessed her love to me

Then she vanished on the breeze

Trying to hold on to that was just impossible

She was more than beautiful

Closer to ethereal

With a kind of down to earth flavor

Close my eyes

It's three in the afternoon

Then I realize

That she's really gone for good

Anybody seen my baby

Anybody seen her around

Love has gone and made me blind

I've looked but I just can't find

She has gotten lost in the crowd

I was flippin' magazines

In that place on Mercer Street

When I thought I spotted her

Getting on a motor bike

Looking rather lady like

Didn't she just give me a wave?

Salty tears

It's three in the afternoon

Has she disappeared

Is she really gone for good

Anybody seen my baby

Anybody seen her around

If I just close my eyes

I reach out and touch the prize

Anybody seen her around

(Rap)

Anybody seen my baby

Anybody seen her around

If I just close my eyes

I reach out and touch the prize

Anybody seen her around

Lost, lost and never found

I must have called her a thousand times

Sometimes I think she's just in my imagination

Lost in the crowd
