She confessed her love to me

Then she vanished

On the breeze

Trying to hold on to that

Was just impossible

She was more than beautiful

Closer to ethereal

With a kind of

Down to earth flavor

Close my eyes

It's three in the afternoon

Then I realize

That she's really

Gone for good

Anybody seen my baby

Anybody seen her around

Love has gone

And made me blind

I've looked but I just can't find

She has gotten lost

In the crowd

I was flippin' magazines
In that place on Mercer Street
When I thought I spotted her
Getting on a motor bike
Looking rather lady like
Didn't she just give me a wave?
Salty tears
It's three in the afternoon
Has she disappeared
Is she really gone for good
Anybody seen my baby
Anybody seen her around
If I just close my eyes
I reach out
And touch the prize
Anybody seen her around
(Rap)
Anybody seen my baby
Anybody seen her around
If I just close my eyes
I reach out
And touch the prize
Anybody seen her around
Lost, lost and never found
I must have called her

A thousand times

Sometimes I think

She's just in my imagination

Lost in the crowd
