Bright lights, big city

Gone to my baby's head

Bright lights, big city

Gone to my baby's head

I'd tried to tell the woman but she doesn't believe a
word I

said

Go light pretty baby... gonna need my help some day

It's all right pretty baby...gonna need my help some day

You're gonna wish you listened to some of those things
I said

Go ahead pretty baby

Oh, honey knock yourself out

Go ahead pretty baby

Oh honey knock yourself out

I still love you baby cause you don't know what it's all
about

Bright lights, big city

Gone to my baby's head

Bright lights, big city

Gone to my baby's head
