Can you hear the music, can you hear the music?

Can you feel the magic hangin' in the air?

Can you feel the magic? Oh, yeah

Love is a mystery I can't demystify, oh, no

Sometimes I wonder why we're here

But I don't care, I don't care

Can you hear the music, can you hear the music?

Can you feel the magic dancin' in the air?

Can you feel the magic? Oh, yeah

Love is a mystery I can't demystify, oh, no

Sometimes I I'm dancin' on air

But I get scared, I get scared

When I hear the drummer, get me in the groove

When I hear the guitar, makes me wanna move

Can you feel the magic, floatin' in the air?

Can you feel the magic? Oh, yeah

Sometimes you're feelin' you've been pushed around

And your rainbow just ain't here

Don't you fear, don't you fear

When you hear the music trouble disappear

When you hear the music ringin' in your ears

Can you feel the magic floatin' in the air?

Can you hear the magic? Oh, yeah, yeah

When you hear the music ringin' in my ear

Can you hear the music? Oh, yeah

Can you hear the drummer? Gets you in the groove

Can you hear the guitar? Make you wanna move? Yeah

Can you hear the music? Oh, yeah

Can you hear the music ringin' in my ear?

Can you hear the music, can you hear the music
