Oh, Carol

Don't let him steal your heart away

I'm gonna learn to dance

If it takes me all night and day

Climb into my machine so we can groove on out

I know some swinging little joint where we can jump  
and shout

It's not too far back on the highway not so long a ride

You park the car out in the open you can walk inside

A little cutie takes your hat and you can thank her  
ma'am

'Cause every time you make the scene you find the  
joint is jammed

Oh, Carol

Don't let him steal your heart away

I'm gonna learn to dance

If it takes me all night and day

Now, if you want to hear some music like the boys are  
playing

Hold tight, bang your foot don't let it carry you away

Don't let the heat overcome you when they play so loud

Won't the music intrigue you when they get a crowd

Well you can't dance I know you would you could

I got my eyes on you, baby, cause you dance so good

Oh, Carol

Don't let him steal your heart away

I'm gonna learn to dance

If it takes me all night and day

Oh, Carol

Don't let him steal your heart away

I've got to learn to dance

If it takes me all night and day
