Everything is wrong since me and my baby parted

All day long I'm walkin' 'cause I couldn't get my car started

Laid off from my job and I can't afford to check it

I wish somebody'd come along and run into it and wreck it

Come on, since me and my baby parted

Come on, I can't get started

Come on, I can't afford to check

I wish somebody'd come along and run into it and wreck it

Everything is wrong since I've been without you

Ev'ry night I lay awake thinkin' about you

Ev'ry time the phone rings it sounds like thunder

Some stupid guy try'n' to reach another number

Come on, since I've been without you

Come on, always thinkin' about you

Come on, phone sounds like thunder

Some stupid guy try'n' to reach another number

Everything is wrong since I last saw you, baby

I really wanna see you and I don't mean maybe

I'm doin' ev'rything try'n' to make you see

That I belong to you, hon, and you belong to me

Come on, I wanna see you, baby

Come on, I don't mean maybe

Come on, I'm try'n' to make you see

That I belong to you and you belong to me

Come on, I gotta see you, baby

Come on, I don't mean maybe

Come on, I've gotta make you see

That I belong to you and you belong to me

Come on, come on, come on, come on
