Coming down again, coming down again

Coming down again, coming down again

Share your thoughts, there's nothing you can hide

She was dying to survive

I was caught, oh, taken for a ride

She was showing no surprise

Coming down again, coming down again

Where are all my friends, coming down again

Coming down again, coming down again

On the ground again, coming down again

Slipped my tongue in someone else's pie

Tasting better ev'ry time

She turned green and tried to make me cry

Being hungry it ain't no crime

Coming down again, coming down again

All my time's been spent, coming down again
