Ah, har har har har)

She looks so simple in her way

Does the same thing everyday

But she's dedicated

To having her own way

She's very complicated

(Ah, har, har, har, har)

Yeah

Women seem to fill her mind

And many men in so short time

But she's underrated

She treats me oh so kind

She's very complicated

(Ha, har har har, har)

Yeah

We talk together and discuss

What is really best for us

She's sophisticated

My head's fit to bust

Cause she's so complicated

Ah,. ha har har, har

She knows just how to please her man

Softer than a baby lamb

But she's educated

Doesn't give a damn

She's very complicated

(Har, har har har, har)

Na, na na na num

She looks so simple in her way

Does the same thing everyday

But she's dedicated

To having her own way

She's very complicated

(Har, har har har, har..
