Connection, I just can't make no connection.
But all I want to do is to get back to you.
Everything is going in the wrong direction.
The doctor wants to give me more injections.
Giving me shots for a thousand rare infections
And I don't know if he'll let me go
Connection, I just can't make no connection.
But all I want to do is to get back to you.
Connection, I just can't make it, connection
But all I want to do is to get back to you.
My bags they get a very close inspection.
I wonder why it is that they suspect me
They're dying to add me to their collections
And I don't know if they'll let me go
Connection, I just can't make no connection.
But all I want to do is to get back to you.
Connection, I just can't make no connection.
But all I want to do is to get back to you.
