Love comes at the speed of light

Love comes at the speed of light

Love comes in a strange disguise

Love comes

Open the door and let the light pour over

Open the door don't you keep me out

Open the door and let the light pour over

Hear me shout

Open the door and let the light pour over

Open the door don't you keep me out

Open the door and let the light pour over

Love comes at the speed of light

Love comes

It's as pure as silver

It's as pure as gold

It's a rushing river

Let it run all over me

It's as pure as silver

It's as pure as gold

Let it run all over me

Love comes

Love comes at the speed of light

Love comes at the speed of light
