Will all your money
Buy you forgiveness
Keep you from sickness
Or keep you from cold?
Will all your money
Keep you from madness
Keep you from sadness
When you're down in the hole?
'Cause you'll be down in the gutter
You'll be bummin' for cigarettes
Bummin' for nylons
In the American Zone
You'll be down in the hole
Yeah, down in the hole
No escape from trouble
Nowhere to go
Down in the gutter
Beggin' for cigarettes
Beggin' forgiveness
All that you know
Down in the hole

After diggin' the trenches

Looking for cover and findin' out there ain't nowhere
nowhere to go

Nowhere nowhere nowhere to go

None of your money

Will buy you forgiveness

None of your jewelry

None of your gold

Your black market cigarettes

Your American nightclubs

Ah, they've got nowhere left

Something for nothing

All of your friends gone

Something for nothing

That's all that you know

There's something down in the hole

Down down down in the hole

There's something down down down down in the hole
