Now if you wanna hear some boogie like I'm gonna play

It's just an old piano and a knockout bass

The drummer's man's a cat they call Charlie McCoy

You know, remember that rubber-legged boy?

Mama cookin' chicken fried and bacon grease

Come on along boys it's just down the road apiece

Well there's a place you really get your kicks

It's open every night about twelve to six

Now if you wanna hear some boogie you can get your
fill

And shove and sting like an old steam drill

Come on along you can lose your lead

Down the road, down the road, down the road apiece

Well there's a place you really get your kicks

It's open every night about twelve to six

Now if you wanna hear some boogie you can get your
fill

And shove and sting like an old steam drill

Come on along you can lose your lead

Down the road, down the road, down the road apiece
