Day after day I'm more confused

Yet I look for the light

Through the pourin' rain

You know that's a game that I hate to lose

And I'm feeling the strain

Ain't it a shame

Oh, give me the beat, boys, and free my soul

I want to get lost in your rock and roll

And drift away

[repeat]

Beginning to think that I'm wasting time

I don't understand the things I do

The world outside looks so unkind

Now I'm counting on you

To carry me through

Oh, give me the beat, boys, and free my soul

I want to get lost in your rock and roll

And drift away

[repeat]

And when my mind is free

You know a melody can move me

And when I'm feeling blue
The guitar's coming through to soothe me
Thanks for the joy that you're given me
I want you to know I believe in your song
Your rhythm and rhyme and harmony
You've helped me along
Makin' me strong
Oh, give me the beat, boys, and free my soul
I want to get lost in your rock and roll
And drift away
[repeat]
Na, na, now won't ya
Won't ya take, oh ha ..take me
