A empty heart is like an empty life

I said a empty heart is like a empty life

Well, it makes you feel like you wanna cry

Like you wanna cry

Like you wanna cry

Well you've been my lover for a long long time

Well you've been my lover for a long long time

Well you left me all alone, and end my time

I want my lover again

I want my lover again

I want my lover again

I want it back again

Yeah, a little stick

Yeah, a little bit darling

Take it down

Take it down

Yeah, take it down

Come on back to me, baby

Come on back to me, baby

Come on

Come on back to me

And I'll show ya

I'll show ya

That a empty heart means a empty life

Yeah an empty heart like a empty life

Oh, it makes you feel like you wanna die

Like you wanna die

Like you wanna die

(I wanna die
