spoken:

I'm so glad to be here tonight and I'm so glad to be home.

And I believe I've got a message for every woman and

Every man here tonight that ever needed somebody to love

Someone to stay with them all the time, when they're

Up and when they're down. You know, sometimes you get what you want

And then you go and lose what you have

And I believe every woman and every man here tonight listen to my song

And it save the whole world.

Listen to me.

Everybody wants somebody

Everybody wants somebody to love

Someone to love

Someone to kiss

Sometime to miss, now

Someone to squeeze

Someone to please

And I need you you you

I need you you you

I need you you you

I need you you you

Oh, sometimes I feel like

I feel a little sad inside

My baby mistreats me

And I kinda get a little little mad

I need you you you

To see me through, babe

When the sun go down

Ain't nobody else around

That's when I need you baby

That's when I say I love you

That's when I say I love you

Let me hear you say yeah

Let me hear you say yeah

Let me hear you say yeah

Let me hear you say yeah

I need you you you you

Somebody to see me through, baby

I need you you you

I need you you you

I need you you you

When the sun goes down

Ain't nobody else around

That's when I'm all by myself

That's when I need your lovin' darlin'

That's when I need you so bad

You're the one I really need bad (???)

I need you

To see me through baby

In the morning time too

When the sun goes down

Ain't nobody else around

I need your lovin' so bad

Everybody needs somebody to love

I'm not afraid to be by myself but I just need to be  
somebody to love

All the time

All the time

All the time

All the time

All the time, babe

I said all the time, babe

I said all the time, babe

I need you

I need your lovin' so bad

Let me hear you say yeah

Let me hear you say yeah

Let me hear you say yeah, yeah, yeah

Let me hear you say yeah

Uh, huh, huh, huh

Uh huh, huh huh huh

Yeah, I need you baby so bad bad bad, bad bad, bad  
bad bad bad

I need you

I need you you you

I need your lovin' babe

I need your lovin' darlin'

Everybody needs somebody

Everybody needs somebody

Everybody needs somebody

Yeah, yeah yeah

Everybody needs somebody

Everybody needs somebody

Everybody needs somebody else

You gotta need too, baby

See you through

Gotta be two to see it thru
