"Factory Girl"

Waiting for a girl who's got curlers in her hair

Waiting for a girl she has no money anywhere

We get buses everywhere

Waiting for a factory girl

Waiting for a girl and her knees are much too fat

Waiting for a girl who wears scarves instead of hats

Her zipper's broken down the back

Waiting for a factory girl

Waiting for a girl and she gets me into fights

Waiting for a girl we get drunk on Friday night

She's a sight for sore eyes

Waiting for a factory girl

Waiting for a girl and she's got stains all down her
dress

Waiting for a girl and my feet are getting wet

She ain't come out yet

Waiting for a factory girl
