Spendin' too much time away

I can't stand another day

Maybe you think I've seen the world

But I'd rather see my girl

I'm goin' home, I'm goin' home

I'm goin' home, I'm goin' home

I'm goin' home, bome, bome, bome-bome-bome,

Home, bome, bome, bome, back home

Yes, I am

All those letters ev'ry day

Maybe alright in their way

But I'd love to see your face

When I get home in their place

I'm goin' home, I'm goin' home

I'm goin' home, I'm goin' home

I'm goin' home, bome, bome, bome-bome-bome,

Home, bome, bome, bome, back home

Yes, I am

Alright

I'm goin' home, I'm goin' home

I'm goin' home, I'm goin' home

I'm goin' home, bome, bome, bome-bome-bome,

Home, bome, bome, bome, back home

Yes, I will

When you're three thousand miles away

I just never sleep the same

If I packed my things right now

I could be home in seven hours

I'm goin' home, I'm goin' home

I'm goin' home, I'm goin' home

I'm goin' home, bome, bome, bome-bome-bome,

Home, bome, bome, bome, back home

Yes, I will

Yes, I will

See my baby, see my baby

I wanna see my girl

I just can't wait, I just can't wait

I just can't wait, I just can't wait

I just can't wait, I just can't wait

I just can't wait, I just can't wait

I just can't wait

I'll see my baby

She'll make me feel alright

Gotta see my baby

She'll make me feel so good

She'll make me feel alright

Yes she does

In the middle of the night

So good ti ti tight

Feel alright, come on baby

I'm gonna get home babe

I feel alright

I'm lookin' for my baby

I'm gonna go in the early morning

I'm gonna catch that plane

Now it won't be long, I say

Listen to me

Long time since I've seen my baby

Yes it is

It's such a long long time

Yes it is, I feel alright

I'm gonna see my baby, one more time

I get home, I gotta get home

I wanna see my darling

I wanna make sweet sweet love

In the middle of the night

Early in the morning

In the midnight hour

She'll make me feel so good

She'll make me feel alright

When she touch my hands

And that's all I gotta say

Cause I'm gonna pack my bags

I wanna see you baby

See your face

Your pretty little smile

Your pretty clothes

Hear you talk

Come on

I'm comin' home

I'll see my baby

I'm goin' home

I'm gettin' out

To see your face

Makin' love to you baby

Yes it makes me feel so good

Inside

I feel so good inside

Touch me one more time

Come on little girl

You may look sweet

But I know you ain't

I know you ain't
