Going to a go go, everybody

Going to a go go, c'mon now

Going to a go go, everybody

Going to a go go, c'mon now

Well there's a brand new place I found

People coming from miles around

They come from everywhere

If you drop in there

You see everyone in town

Going to a go go, everybody

Going to a go go, c'mon now

Don't you wanna go

And that's alright tell me

Going to a go go, everybody

Going to a go go

It doesn't matter if you're black

It doesn't matter if you're white

Take a dollar fifty

A six pack of beer

And we goin' dance all night

Going to a go go, everybody

Going to a go go, c'mon now

Don't you wanna go

And that's alright, tell me

Yeah, don't you wanna go, and that's alright, tell me

Going to a go go, everybody

Going to a go go

It doesn't matter you come in drag

It doesn't matter you come in stag

I'm telling everyone to get down here

Every taxi that you flag

Is going to a go go, everybody

Going to a go go

Don't you wanna go

And that's alright, tell me, yeah

That's alright, yeah
