Well you've grown up all wrong

Well you've grown up all wrong

You come on too strong

Well you've grown up all wrong

Well you were easy to fool, when you were in school,
but

You've grown up all wrong

Well you've grown up on me

Well you've grown up on me

Don't believe what I see

Well you've grown up on me

Well you look so sweet when you're in your jeans, but

You've grown up on me

Well you've grown up too fast

Well you've grown up too fast

Don't forget about the past

Girl, you've grown up too fast

Well you won't be a fool, but I'm through with you

Well you've grown up too fast

Well you've grown up too fast
