"Heart Of Stone"

There've been so many girls that I've known,

I've made so many cry and still I wonder why

Here comes the little girl,

I see her walking down the street.

She's all by herself,

Trying so hard to please, but

She'll never break, never break, never break, never
break

This heart of stone. Oh, no, no, this heart of stone.

What's different about her?

I don't really know. No matter how I try

I just can't make her cry.

But she'll never break, never break, never break, never
break

This heart of stone. Oh, no, no, no, this heart of stone.

Don't keep on looking that some old way.

If you try acting sad, you'll only make me glad.

Better listen little girl,

You go on walking down the street,

I ain't got no love, I ain't the kind to meet.

But you'll never break, never break, never break, never
break

This heart of stone. Oh, no, no, this heart of stone,

You'll never break this heart of stone
