Well, we all need someone we can lean on  
And if you want it, you can lean on me  
Yeah, we all need someone we can lean on  
And if you want it, you can lean on me

She said, "My breasts, they will always be open  
Baby, you can rest your weary head right on me  
And there will always be a space in my parking lot  
When you need a little coke and sympathy"

Yeah, we all need someone we can dream on  
And if you want it, baby, well you can dream on me  
Yeah, we all need someone we can cream on  
And if you want to, well you can cream on me

I was dreaming of a steel guitar engagement  
When you drunk my health in scented jasmine tea  
But you knifed me in my dirty filthy basement  
With that jaded, faded, junky nurse  
Oh what pleasant company

We all need someone we can feed on  
And if you want it, well you can feed on me  
Take my arm, take my leg, oh baby don't you take my  
head

Yeah, we all need someone we can bleed on  
Yeah, and if you want it, baby, well you can bleed on  
me  
Yeah, we all need someone we can bleed on  
Yeah, yeah, and if you want it, baby, why don'cha bleed  
on me  
All over

Ahh, get it on rider, get it on rider , get it on rider  
You can bleed all over me  
Get it on rider , get it on rider, get it on rider  
You can cum all over me
