New York was cold and damp  
TV is just a blank  
Looks like another dead end Sunday

What about an early night  
Monday never feels so bright  
Ooh the sheets feel cold and lonely

Who wants to brave the pouring rain  
For a glass of French champagne?  
Well grab a cab, grab a cap and baby, come right by

And she was hot - as she kissed my mouth  
She was hot - as I wiped her brow  
She was hot - she pinned me to the ground  
She was quick - she knew her way around  
She was hot - as she tore my clothes  
She was hot - she had no place to go  
She was hot - on a cold and rainy night

Detroit was smoky grey  
Nothing like the good old days  
Well I got a fever that I'm fighting

I don't need your company  
Leave me in my misery  
I can take the rebound just like lightning

And she was hot - in a 50's dress  
She was hot - her lips were flashing red  
I was lost - in her burning flesh  
I was hot - I was dripping sweat  
She was hot - in the Detroit snow  
She was hot - she had no place to go  
She was hot - on a cold and rainy night

And she was hot - and I had the blues  
She was hot - honey, where were you?  
If you were in my shoes  
You would be excused  
She was hot - you can never wait

She was hot - never hesitate  
She was hot - on a cold and rainy night

I think I'm going off the rails  
Riding down the pleasure trails  
I was taking passion where you find it

Honey when you were young and fresh  
And you need the touch of your flesh  
Go take the treasure where you find it

And she was hot - in the melted snow  
She was hot - in the molten glow  
She was hot - she got it in the blood  
She was hot - like the dam that bursts  
She was black - she was strong and true  
She was black - and her eyes were blue  
She was lost - and she took a chance  
At just a brief romance

Down the avenue into the lost bayou  
Into the tall bamboo, back to the human zoo  
I wish you all the best, I hope we meet again  
On a cold Chicago night

She was hot  
She was hot  
She was hot hot hot  
She was hot hot hot.....
