I wanna hold  
I wanna hold you  
Hold you baby close to me

I hope you find it funny  
That I got no money  
But if you stick with me  
You're gonna get some love for free

I wanna hold you  
I gotta hold you  
Hold you baby close to me  
Close to me

I wanna hold you  
I gotta hold you  
Hold you baby close to me, yeah

This time it's not for fun  
That you're the only one  
Why should I say to you?

I wanna hold you  
I gotta hold you  
Hold you baby close to me

I wanna hold you  
I gotta hold you  
Hold you baby close to me

But if you let me smile  
But if you know I lie  
But after all you gave  
I'll be your lover  
I'll be your slave

I wanna hold you yeah  
I wanna hold you  
Hold you baby close to me

I wanna hold you

I gotta hold you  
Hold you baby close to me

Oh yeah oh yeah

I wanna hold you  
I gotta hold you  
Hold you baby close to me
