You give me fever

You give me fever
Fever in the morning
Fever when It's late at night
You give me fever
When you kiss me
Fever when you hold me tight
You give me fever
When you're with me
Fever when you're lovin me.

My baby's so damn sexy (oh)
My baby put the fever on me (oh)
My baby knows just what to do (oh)
You got me boilin past a hundred and two (oh)

Never knew how much I love you
Never knew how much I care
When you put your arms around me
I get a fever that's so hard to bear

You give me fever (fever)
When you're with me and fever when you hold me tight
(fever)
You give me fever
When you touch me and fever all through the night

My baby's so damn sexy (oh)
My baby put the fever on me (oh)
My baby knows just what to do (oh)
You got boilin me past a hundred and two (oh)
