If I should die before I wake
It's cause you took my breath away
Losing you is like livin in a world with no air
I'm here alone don't wanna leave
My heart won't move it's incomplete
Wish there was a way that I can make you understand

But how do you expect me
To live alone with just me
Cause my world revolves around you it's so hard for
me to breathe

[CHORUS]

Tell me how I'm supposed to breathe with no air
Can't live can't breathe with no air
It's how I feel whenever you aint there
Theres no air no air
Got me out here in the water so deep
Tell me how you gone breathe without me
If you aint here I just can't breathe
Theres no air no air
No air air (x4)

I walked I ran I jumped I flew
Right off the ground to float to you
Theres no gravity to hold me down for real

[HOOK]

But how do you expect me
To live alone with just me
Cause my world revolves around you it's so hard for
me to breathe

CHORUS

Tell me how I'm supposed to breathe with no air
Can't live can't breathe with no air
It's how I feel whenever you aint there
Theres no air no air

Got me out here in the water so deep
Tell me how you gone breathe without me

If you aint here I just can't breathe
Theres no air no air
No air air (x4)

A-i-r, no air, no air, there's no air, no air
So deep

Got me out here in the water so deep
Tell me how you gone breathe without me
If you aint here I just can't breathe
Theres no air no air
