Who am I speaking to  
yet to myself again  
what am I hoping for  
for her to be happy again  
is this reality  
is this the world with questions  
can't be answered  
and how could she fall  
and how does she do it when she stands up tall

She, she's a strong one  
She just keeps on going  
She, she's a strong one  
She's the one that won't give up

Who is she speaking to  
yet to herself again  
what is she aiming for  
for us to be happy again,  
how is it gonna be  
I'll bring her up with no way down  
you got to be lost to be found  
how could she fall  
and how does she do it when she stands up tall

She's a strong one  
She just keeps on going  
She, she's a strong one  
And she, she's the one that keeps on hoping  
Keeps on going  
She's the one that won't give up

I miss the way she used to be  
Broken inside, her heart cries  
Well great now show me insecurity  
Sometimes it get's crowd in a mind  
I miss the way she used to be  
Broken inside, her heart cries  
Beautiful eyes show me insecurity  
Sometimes it get's crowd in a mind

She's a strong one  
She just keeps on going  
She, she's a strong one  
And she, she's the one that keeps on hoping  
Keeps on going  
She's the one that won't give up

She's the strong one  
She's the one that won't give up
