Life is changin',
I can't go on, without you
Rearrangin',
I will be strong, I'll stand by you
You were fighting everyday, so I'll hide the pain
I know you never said goodbye, I have so much left to
say
One last song given to an angel's son
As soon as you were gone
As soon as you were gone

I have a new life now
She lives through you, what can I do
I feel so alone now,
i'll pray for you, We still love you
You were fighting everyday, so I'll hide the pain
I know you never said goodbye, I have so much left to
say
One last song given to an angel's son
As soon as you were gone
As soon as you were gone
One last song given to an angel's son (I can't believe
you're gone)
As soon as you were gone
As soon as you were gone
