I gave her that diamond she dreamed of  
And I bought her a home with a view  
I took her to the end of the rainbow  
But all I left her was blue

Seems I never had time to lover her  
And now it seems time just stands still  
I thought I was king of the mountain  
But I was only a fool on the hill

Now I'm here alone after leavin' her lonely  
Lord I'm livin' with a memory  
I know I can't kill  
I thought I was king of the mountain  
But I was only a fool on the hill
