George Strait
Love Without End, Amen

I got sent home from school one day with a shiner on
my eye
Fightin' was against the rules and it didn't matter why
When dad got home I told that story just like I
rehearsed
Then stood there on those tremblin' knees and waited
for the worse

CHORUS:

And he said let me tell you a secret about a father's
love
A secret that my that my daddy said was just between
us
He said, daddy's don't just love their children every
now and then
Its a love without end, amen
Its a love without end, amen

When I became a father in the spring of '81
There was no doubt that stubborn boy was just like my
father's son
And when I thought my patience had been until the end
I took my daddy's secret and I passed it on to him

-- CHORUS (Replace He with I) --

Last night I dreamed I died and stood outside those
pearly gates
When suddenly I realized there must be some mistake
If they know half the things I done they'll never let me
in
Then from somewhere from the other side I heard
these words again
And they said...

-- CHORUS (Line1 he=they/Line3 He said=You see) --
