I can see you're fallin' for her
Friend you know she once was mine
So I guess I oughta warn you
'Cause you're showin' all the signs

She's a devil
She's an angel
She's a woman
She's a child
She's a heartache
When she leaves you
But she'll leave you with a smile

When she held me it was Heaven
It was worth the losin' pain
And when she's gone she'll leave you wishin'
She'd just roll your way again

She's a devil
She's an angel
She's a woman
She's a child
She's a heartache
When she leaves you
But she'll leave you with a smile

She's a devil
She's an angel
She's a woman
She's a child
She's a heartache
When she leaves you
But she'll leave you with a smile
