We made it final today, I gave you all I had, you made  
your getaway  
All the love we once made, Turned to memories today  
I left the courtroom and went straight to the church  
I hit my knees and told God how much I hurt  
Nothin left of my heart, It's gonna be so hard to make a  
new start

chorus

Cause today my world slipped away, We buried the  
plans that we made  
And tonight I'm alone and afraid cause today my world  
slipped away

All my friends say I'll make it all right  
I'll recover and start a new life  
But that will be so hard to do  
cause livin ain't worth livin without you

chorus
