They wanna get a statement for Jesus sake

It's like talking to the wall

He's incommunicado no comment to make

He's saying nothing at all

But in the communique you know he's gonna come
clean

Think what he say, say what he mean

Maybe on Monday he got something to say

Communication

Communique

Communique

Maybe he could talk about the tricks of the trade

Maybe he could talk about himself

Maybe he could talk about the money that he made

Maybe he'd be saying something else

But in the communique you know he's gonna come
clean

Think what he say, say what he mean

Maybe on Monday he got something to say

Communication

And now the rumors are flying
Speculation rising
Say that he's been trying someone else's wife
Somebody at the airport
Somebody on the phone
Says he's at the station and he's coming on the noon
Then we get the story a serious breeze
And a photograph taken in the hall
You don't have to worry with the previous release
Right now, he's saying nothing at all
But in the communique you know he's gonna come
clean
Think what he say, say what he mean
Maybe on Monday he got something to say
