Performed by Dire Straits.

Released as the B side of the single "Heavy Fuel".

(Mark Knopfler) 4:14

Transcribed from CD single by Eric Adcock, April 1993.

I tell you what!

They don't mess with me, I'm a wild man, son

I got me my very own anti tank gun

I got a jack rabbit with it, guess he was a mean one

Yeah, I've always been a sportsman

Now, there wasn't much left when I got to him

Them big old shells didn't just go through him

Just lumps of fur and that was it

Guess you could say he sure took a hit, alright

Yeah, you want to see my fire power, see my collection

Cause that's my thing, man, perfection

Now I'm talking power in the barrel of a gun

I'll blow anything I want to Kingdom Come

Ba ba boom

Ba ba ba ba bomb

And I'll blow anything I want

To Kingdom Come

Yeah, all you got to do is squeeze on the trigger
And a little bitty human get a whole lot bigger
Cause there's a time for talking and a time to shoot
them down
And this mama-jama [?] don't pussy foot around,
alright
Yeah, let them laugh, let them say we're strange
Me and my buddies on the rifle range
But you won't be laughing when it hits the fan
You're going to want to be a survivor, man
Yeah, you got to see my fire power, see my collection
Cause that's my thing, man, perfection
Now, I'm talking power in the barrel of a gun
I'll blow anything I want to Kingdom Come
Ba ba boom
Ba ba ba ba bomb
And I'll blow anything I want
To Kingdom Come
Ba ba ba ba boom
I say we ought to drop the bomb
Yes, and I'll blow anything I want
To Kingdom Come
