Lady writer on the TV

Talk about the Virgin Mary

Reminded me of you

Expectation left a come on too

Lady writer on the TV

She had another quality

The way you used to look

And I know you never read a book

Just the way that her hair fell down around her face

And I recall my fall from grace

Another time another place

Lady writer on the TV

She had all her brains and the beauty

The pictures does not fit

You'd talk to me when you felt like this

Just the way that her hair fell down around her face

And I recall my fall from grace

Another time another place

Your rich old man,

You know he'd a call her a dead wringer

You got the same command

Plus your mother was a mess in life  
Just the way that her hair fell down around her face  
And I recall my fall from grace  
Another time another place  
Lady writer on the TV  
She knew all about history  
You couldn't hardly write your name  
I think I want it just the same  
Lady writer on the TV  
Talking about the Virgin Mary  
You know I'm talking about you and me  
Lady writer on the TV
