"Private Investigations"

It's a mystery to me ... the game commences
for the usual fee ... plus expenses
confidential information ... it's in a diary
This is my investigation ... it's not a public inquiry
I go checking out the reports ... digging up the dirt
you get to meet all sorts in this line of work
treachery and treason ... there's always an excuse for it
and when I find the reason I still can't get used to it
And what have you got at the end of the day?
what have you got to take away?
a bottle of whisky and a new set of lies
blinds on the windows and a pain behind the eyes
Scarred for life ... nocompensation
private investigations
