I seen a girl on a one way corridor  
stealing down a wrong way street  
for all the world like an urban toreador  
she had wheels on on her feet  
well the cars do the usual dances  
same old cruise and the kerbside crawl  
but the rollergirl she's taking chances  
they just love to see her take them all  
no fears alone at night she's sailing through the crowd  
in her ears the phones are tight and the music's  
playing loud  
hallelujah here she comes queen rollerball  
enchante what can I say don't care at all  
you know she used to have to wait around  
she used to be the lonely one  
but now that she can skate around town  
she's the only one  
no fears alone at night she's sailing through the crowd  
in her ears the phones are tight and the music's  
playing loud  
she gets rock n roll a rock n roll station  
and a rock n roll dream

she's making movies on location  
she don't know what it means  
but the music make her wanna be the story  
and the story was whatever was the song what it was  
rollergirl don't worry  
d.j. play the movies all night long  
she tortures taxi drivers just for fun  
she like to read their lips  
says toro toro taxi see ya tomorrow my son  
I swear she let a big truck grease her hip  
she got her own world in the city  
you can't intrude on her  
she got her own world in the city  
cos the city's benn so rude to her  
no fears alone at night she's sailing through the crowd  
in her ears the phones are tight and the music's  
playing loud  
she gets rock n roll a rock n roll station  
and a rock n roll dream  
she's making movies on location  
she don't know what it means  
but the music make her wanna be the story  
and the story was whatever was the song what it was  
rollergirl don't worry  
d.j. play the movies all night long  
come slippin and slidin

life's roller ball

slippin and a slidin

skateaway that's all

shala shalay hey hey skateaway

she's going sining shala shalay hey hey

skateaway
