"So Far Away"

Now here I am again in this mean old town,

And your so far away from me.

Now where are you when the sun goes down,

Your so far away from me.

Your so far away from me,

So far I just can't see.

Your so far away from me,

Your so far away from me.

Alright.

I'm tired of being in love and being all alone,

When your so far away from me.

I'm tired of making out on the telephone,

Cos your so far away from me.

Your so far away from me,

So far I just can't see.

Your so far away from me,

Your so far away from me.

Alright.

And I get so tired when I have to explain,

That your so far away from me.

See you've been in the sun and I've been in the rain,

And your so far away from me.

Your so far away from me,

So far I just can't see.

Your so far away from me,

Your so far away from me.

Take it down.

So far away.

Your so far away from me.

(Your so far.)

Alright.

(Your so far.)

Yes, your so far away from me
