"Southbound Again"

Southbound again I don't know if I'm going or leaving
home

Boy got to be moving

Seems like the boy is bound to roam

Southbound again got no money I've got no place to go

That woman's with her lover boy

Never want to see her face no more

Every single time I roll across the rolling River Tyne

I get the same old feeling

Every time I'm moving down the line

Southbound again last night I felt like crying

Right now I'm sick of living

But I'm going to keep on trying
