Where do you think you're going?

Don't you know it's dark outside?

Where do you think you're going?

Don't you care about my pride?

Where do you think you're going?

I think that you don't know

You got no way of knowing

There's really no place you can go

I understand your changes

Long before you reach the door

I know where you think you're going you

I know what you came here for

And now I'm sick of joking

You know I like you to be free

Where do you think you're going?

I think you better go with me girl

You say there is no reason

But you still find cause to doubt me

If you ain't with me girl

You're gonna be without me

Where do you think you're going?

Don't you know it's dark outside?

Where do you think you're going?

Don't you care about my pride?

And now I'm sick of joking

You know I like you to be free

So where do you think you're going?

I think you better go with me girl
