Verse 1

Now, we stand here
Face to face, it's like a dream
Now, the time is right
Just tell the truth to me
Yeeh
I know what you feel
Come on and make it right
And I will hold you, until the end of time

Refrain

We are Alive
Love is like a breeze
So hold me tight
Baby come to me
We are Alive
Love is shining right
And don't you feel, the power deep in my mind

We are alive

* verse 2*

Now, we stand here
Face to face, it's like a dream
Now, the time is right
Just tell the truth to me
Yeeh
I know what you feel
Come on and make it right
And I will hold you, until the end of time

Refrain

We are Alive
Love is like a breeze
So hold me tight
Baby come to me
We are Alive

Love is shining right
And don't you feel, the power deep in my mind

We are aliveâ€¦
