I am Rock, it ain't no breakin' me  
I am Rock, it ain't no shakin' me  
I am Rock, that ain't no earthquake, it's me  
I am Rock (ohh) I am Rock (ohh)  
I am Rock, it ain't no breakin' me  
I am Rock, it ain't no shakin' me  
I am Rock, that ain't no earthquake, it's me  
I am Rock (ohh) I am Rock (ohh) I am Rock

Know when you criticize me, before you try to, do me a  
solid  
Take a short walk in my shoes  
My boots, my kicks, my flip-flops, whatever  
I done seen rain and I ain't just talkin' weather  
But I'm a survivor  
Shame on you if you thought I would ever leave  
I'm a be right there where the legends be  
I am unbreakable, I'm Rock, I am never weak now  
I feel weak sometimes, but you'll never see  
I'm going through one of the roughest times in my  
entire life right now  
Still I got a slight smile  
I'm knowin' it's gonna be better days, like Tupac said  
And we go make it like Eve & them two LOX said  
Whos not fed up with something  
Life's about struggling and overcoming your  
shortcomings  
Not about huffing and puffing and crying without doing  
nothing  
Take them sour lemons, make lemonade, and stop  
sucking.

I am Rock, it ain't no breakin' me  
I am Rock, it ain't no shakin' me  
I am Rock, that ain't no earthquake, it's me  
I am Rock (ohh) I am Rock (ohh)  
I am Rock, it ain't no breakin' me  
I am Rock, it ain't no shakin' me  
I am Rock, that ain't no earthquake, it's me  
I am Rock (ohh) I am Rock (ohh) I am Rock

Rock like coal is, old and dusty  
But, y'all already know what's underneath  
Give me some time, and keep applying pressure  
Watch me shine like the ex-BadBoy  
It'll all be fine (all be fine)  
Just dig down deep, search for that energy  
I can't lose, get in touch with that inner energy  
Game face on, see this mug, you'll remember me  
Focus out the pain, ignore any injury  
Then again, I am Rock, can't really injure me  
Chip off a piece, all you're gonna get is a little me  
Got one from almost every tough time in my history  
Hence the new team, rock brovaaaaaaz, are you still  
with me?  
Got a bunch more, they're in my last stage of misery  
My little Gz, that's strength in me, are you kidding me?  
I get stronger every time they try to finish me  
We don't die, we multiply, can I get a witness, please?

I am Rock, it ain't no breakin' me  
I am Rock, it ain't no shakin' me  
I am Rock, that ain't no earthquake, it's me  
I am Rock (ohh) I am Rock (ohh)  
I am Rock, it ain't no breakin' me  
I am Rock, it ain't no shakin' me  
I am Rock, that ain't no earthquake, it's me  
I am Rock (ohh) I am Rock (ohh) I am Rock

Sure there've been times I feel I can't go on  
But I am so strong, I really can go on  
I ain't saying so long, I ain't goin' home  
Rock Man goin' hard, 'til I can't no more

Tomorrow is Friday the thirteenth, me and bad luck  
Been have beef, he can't hurt me, he can't serve me  
I win every time I see him, even with all his  
undermining cheatin  
Every time I beat him I think the odds must be his crew  
(huh?)  
Word, they've always been against me, too (huh?)  
They can't see me neither, anyone thinking he could,  
keep me out my championship, he fooled

I am Rock, it ain't no breakin' me  
I am Rock, it ain't no shakin' me  
I am Rock, that ain't no earthquake, it's me  
I am Rock (ohh) I am Rock (ohh)  
I am Rock, it ain't no breakin' me  
I am Rock, it ain't no shakin' me  
I am Rock, that ain't no earthquake, it's me  
I am Rock (ohh) I am Rock (ohh) I am Rock
