I jumped out of an aeroplane  
made love to angel on the wing  
I got caught in a wire

I fell into the ocean last night  
A great white with a smile in the moonlight  
said hes gonna take me  
into the underlife

Oh you should've come yesterday  
you should've come yesterday  
cause it didn't have to be this way  
It didn't have to be this way  
Oh you should've come

I surfed home on a tidal wave last night  
I talked shit with an elvis look alike  
He said he made a good living

I flew into the sun today  
I saw God on a bike, he went the other way  
He said take it easy, thank you for coming

Oh you should've come yesterday  
you should've come yesterday  
cause it didn't have to be this way  
it didn't have to be this way  
didn't have to be this way

What would you do if the world opened up  
and swallowed you  
Oh how many things do you wish you'd done yesterday  
Oh you should've come  
should've come  
oh you should've come, should've come

Cause it didn't have to be this way  
it didn't have to be this way  
it didn't have to be this way  
oh you should've come yesterday  
you should've come yesterday

you should've come yesterday  
you should've come yesterday  
ooh
