Oh yeah, my Melanie makes me smile  
And melts away the pai-ain  
A little light comes shinin'  
Into my life again

And with my Melanie in my arms  
The world's a warmer pla-ace  
A little light comes shinin'  
Down upon my face  
I feel it, baby, shinin' on my face

I just have to hold her head upon my shoulder  
And tell her that I'm feelin' low-ow  
And I've got no place I can go  
And I say darlin' (darlin', darlin')  
I need you (I nee-eed you)  
And she lifts her head up kinda slow, oh-oh

And than my Melanie makes me smile  
And melts away the pain  
I little light comes shinin'  
Into my life again

And with my Melanie in my arms  
The world's a warmer pla-ace  
A little light comes shinin'  
Down upon my face  
I feel it, feel it, shinin' in my face

Oh sometimes when I'm lonely  
I know there is only  
One girl I just have to see-ee  
I call her up, and she's free  
And I say darlin', (darlin', darlin')  
I need you (I nee-eed you)  
And she comes runnin' straight to me, oh-oh

And then my Melanie makes me smile  
And melts away the pain  
A little light comes shinin'  
Into my life again

And with my Melanie in my arms  
The world's a warmer place  
A little light comes shinin' [fade]
