Too bad
Let's make it of what we have
Life gets so hard without the best
Can't stand this town
I'm sick of this life when it comes out of me

How does it feel
You wanna know?
I'm so distraught
I can't be left alone
Never seems forever
Takes two days down in December

See into this break
And the memories here
Tell me, do they care to care?
When will I lose this burden I wear?
And tell me, do they care to care?

Get you back into my life
Gotta get you
Get you back into my life
There's no way that I can do this right
Gotta get you
Get you back into my life
Yeah

How could this be a day to me
You're nothing like a shame to me
Regretful thoughts they break me
Make me see
Without you I can't be me

See into your brown eyes
Turn into your brown eyes
See you walk around this town
And I don't make a sound
I just wanna see you
Just wanna be you
Cause I don't wanna let you down

See into this break
And the memories here
Tell me, do they care to care?
When will I lose this bruden I wear?
And tell me, do they care to care?

Get you back into my life
Gotta get you
Get you back into my life
There's no way that I can do this right
Gotta get you
Get you back into my life

We go to sleep
And I'm alone
I'm all alone again
Then you're here again
Again, again, again, again
Again...
