I'm thinking 'bout other things I heard about today  
All this week and tomorrow  
And how these hands could create some better things  
for bettering  
but you see for now I got my own things  
I can't help it  
I got too many issues I own  
So I cannot help I'm afraid, yeah  
But keep on preaching, preaching can heal the world  
Lip service makes us look great

Do you feel  
The weight of the world singing sorrow  
Or to you is it just not real  
'Cause you got your things?  
Yeah we all have our things I guess

I guess my mind wanders off  
from time to time  
Sometimes I convince myself  
that all is fine in the world  
It's not mine  
Why should I  
have to try  
to fix things I didn't create or contrive

Do you feel  
The weight of the world singing sorrow  
Or to you is it just not real  
'Cause you got your own things  
Yeah we all have so many things

Have the habits  
Had you  
Has it been for long  
Can you feel the souls behind what's going on

Do you feel  
The weight of the world singing sorrow  
Or to you is it just not real  
'Cause you got your own things

Yeah all have our things

Do you feel

The weight of the world singing sorrow

Or to you is it just not real

'Cause you got your things

'Cause we all have so many things

And I can't get past these things

Ohh...
