S-S-Saying, I'm looking now
At pictures of us
I remember thinking, oh, oh, oh
This will never leave us

Oh, the songs that spoke for me
When I couldn't speak
Shame the bands broke up
I just hope we'll remember these

Hold it up
Hold it tight
Moments live or moments die
Hold it up
Hold it strong
Stay right here where you belong
Hold it up
Hold it tight
The only plans of mine
Might sound to you cliché
But, I just plan to live the rest of my life

S-S-Saying I want to know
These pictures of us
I don't want to say goodnight
To records I love

I was thinking about growing old
Forgetting and forgot
I don't want to forget this
And I don't want to be forgot

Hold it up
Hold it tight
Moments live or moments die
Hold it up
Hold it strong
Stay right here where you belong
Hold it up
Hold it tight
The only plans of mine

Might sound to you cliché
But, I just plan to live the rest of my life

Hold it up
Hold it tight
Moments live or moments die
Hold it up
Hold it strong
Stay right here where you belong
Hold it up
Hold it tight
The only plans of mine
Might sound to you cliché
But, I just plan to live the rest of my life
