Hats need a beak, like awake needs asleep
Like a pen needs a page, to learn right you need a
mistake

Oh, yeah

Hearts need a mind, like a clock needs the time
Like white needs black, if you leave I hope you need to
come back

Oh, I swear, I know, I believe it
Oh, I can't stop givin' up singing
Oh, my soul has never had this feeling,
it feels like gold

You got so much love in you
You got so much love in you
I'm amazed that I'm talkin' to you
You look like the songs that I've heard my whole life
coming true

Strike all the bells, hit 'em hard make 'em all yell
Celebrate, infatuate, lock us up yeah incarcerate oh!

Oh, I swear, I know, I believe it
Oh, I can't stop hearing all the singing
Oh, my soul has never had this feeling,
it feels like so, so

So much love in you
You got so much love in you
I'm amazed that I'm talkin' to you
You look like the songs that I've heard my whole life
coming true

You got so much love in you
You got so much love in you
I'm amazed that I'm talkin' to you
You look like the songs oh, oh, oh, oh

Yeah, oh,oh, c'mon, yeah..

ahh.....

You got so much love in you
You got so much love in you
I'm amazed that I'm talkin' to you
You look like the songs that I've heard my whole life
coming true

[x3]

You got so much love in you
You got so much love in you
I'm amazed that I'm talkin' to you
You look like the songs oh, oh, oh, oh
